Let the professionals do the job for you!
Your trip. Your way.**

Unlike your daily routine which is familiar, heading out on an extended trip requires a great deal of forethought and responsible planning to ensure maximum satisfaction and results. If you're orchestrating the details of a family simcha abroad, planning a summer vacation schedule, or arranging an employees' retreat or school, yeshiva or camp trip, you want to make the most of your programs and schedule and return home assured that your trip was a great success and your money well-spent.

Is it a heart-stopping flight in a hot-air balloon, spiritual journey to mekomos kedoshim, guided hiking tour, exhilarating ATV ride or all of the above? Are you traveling far or remaining close to home? Are you equipped with an arsenal of food or do you prefer to enjoy delicious restaurants with superior kashrus certification along the way?

Achdut will gladly arrange your trip the way you want it, accounting for your needs and preferences.

Just tell us where you want to go... We'll take you there!
